Phil Thornburg
Director
City of Fort Lauderdale Parks and Recreation

The Coral Ridge Board of Governors discussed the Pickle Ball idea for the old skating rink at George English Park. The Board supports the project to include the painting of Pickle Ball courts and adding nets for play. This will make a nice enhancement to our park. Many neighbors have expressed the desire for Pickle Ball courts within Coral Ridge. Could you please restart the process for this?

Thanks!

Sincerely,

A handwritten signature in black ink, appearing to read "CW Williams".

Chris Williams
President, Coral Ridge Association
